The Staff

The Dakota Wesleyan University camp staff, directed by head coaches **Dale Roden** and **Jeremy Tosaya**, consists of the Tiger soccer coaching staff and players, and qualified instructors from the surrounding community.

Camp Philosophy

The Tiger soccer camp staff supports the communities of South Dakota in its efforts to educate youth on the importance of wellness and exercise. The goal of the camp is to provide the basic fundamentals and skills to boys and girls so they can reach their maximum potential as soccer players.

- Players will receive individual and team instruction at their appropriate age level.
- Skills will be taught through small-sided games and activities, as well as team/individual competition.
- Athletes will build relationships with coaches and players at Dakota Wesleyan University.
- Players will develop an individual work ethic and game fitness through a variety of small-sided games and controlled scrimmages.
- Players will develop a love of the game in a positive learning environment.
- Players will have the opportunity to earn fun prizes. Camper of the week awards will also be presented.
- We will have athletic training supplies on site for any bumps and bruises that may occur.
- **And most importantly, campers will have fun.**
