

DAKOTA WESLEYAN UNIVERSITY

Loan Amount Form

Federal Parent Loan for Undergraduate Students (PLUS)

By completing this form, you are giving Dakota Wesleyan University permission to process a Federal Direct PLUS Loan in your name on behalf of your son/daughter. DWU assumes you are requesting the loan for the entire academic year, unless otherwise noted. Loans certified for the entire academic year will have two equal disbursements: one for the fall semester and one for the spring semester. Make notes below if you wish to have the loan disbursed differently.

To assist in determining how much you may need to borrow to help cover your son's/daughter's DWU educational cost for the year, contact **DWU Business Office** at **605-995-2693**.

If you wish to borrow more than your son's/daughter's educational cost for the year to assist with his/her living cost, contact the **DWU Financial Aid Office** at **605-995-2656**.

To help speed up the process, indicate the actual amount that you would like to borrow. Write "not interested" if you are not taking out this loan. Note: It is recommended to add at least 2.5% on to the loan due to an origination/default fee maybe taken from the loan before sending the funds to the school.
