MAJOR & MINOR

Major Requirements

Majors require a minimum of 30 semester hours and are designed to provide a thorough grounding in the basics of a discipline, preparation for careers, and/or preparation for graduate student/professional training.
Individualized majors are planned with your academic advisor and approved by the Education Policy and Curriculum Committee.
Grades of NC, CR, or below a C- are not acceptable for a major.

Minor Requirements

Academic minors require a minimum of 15 semester hours of study. The minor is a secondary field of study that provides a relatively broad introduction to that field; this provides an opportunity to explore and expand your base of academic and professional preparation. A list of minors available is provided in the college catalog.
Individualized minors are planned with your advisor and approved by the Education Policy and Curriculum Committee.
Grades of NC, CR or below a C- are not acceptable for a minor.
Courses may not be used for both the major and the minor.
