

## STUDENT RIGHT TO KNOW ACT Graduation Rate

In accordance with the Higher Education Act of 1965, as amended, Dakota Wesleyan University is pleased to provide the following information on the graduation rates of our 2003 cohort of full-time, first-time, degree seeking undergraduates and student athletes that received athletic financial aid.

While reviewing this information, please keep the following in mind:

- All graduation rates are based upon 6 years of attendance which equates to 150% of the normal completion time of our longest program.
- We have elected not to report transfer-out rates because our university's mission does not include providing substantial preparation for students to enroll in another eligible institution without completing or graduating.
- These charts do not identify the reasons why our students withdrew; therefore, students who withdrew for personal or medical reasons are included.
- Graduation rates do not include students who left the school to serve in the armed forces or on official church missions or with a foreign aid service of the federal government, or students who died or were totally and permanently disabled are excluded from the data.
- A pound sign (#) denotes any cohort/subcohort with five or fewer students. The university is not required to disclose this information.
