

The Checklist

So many deadlines, we know! So here's a checklist for the next year.

Go to www.dwu.edu and apply, complete housing, financial aid, and even book your college tour.

Visit Campus

By visiting campus you will have the chance to meet with professors, coaches, current students and admissions staff. You will also learn more about campus and take a tour. You can book an individual visit or a group visit – or come during one of the Visit Days in fall or spring.

Apply

Applying online to Dakota Wesleyan University is free and easy. In addition to a completed application, you must submit a copy of your high school transcript and your ACT/SAT results.

Financial Aid

Remember, Dakota Wesleyan's priority date for financial aid is April 1. Have your FAFSA (Free Application for Federal Student Aid) completed before April 1 so you can be considered for the maximum federal funding if you are eligible. You can apply online at www.fafsa.ed.gov. If you have questions, be sure and contact our financial aid office. Please let your admissions counselor know as soon as possible if you and your family do not intend to complete the FAFSA.

Deposit

Submit your \$200 enrollment confirmation deposit before registering for classes. The benefit of submitting the enrollment confirmation early is priority housing and course choices. The earlier you sign up, the more options are available to develop the class schedule you prefer. You can mail a check to the admissions office, pay over the phone with a credit card, or pay online at www.dwu.edu.

Complete Online Housing Form

Submit Online Mandatory Health Forms

These forms must be completed by all students whether living on or off campus.

Registration Days

The main focus of new student registration days is to sign up for classes, but many other things happen that day. You will take your student ID photo, receive your mailbox assignment, get your campus intranet login and much more. Registration days are scheduled for April 7, April 21, June 4 and June 25, 2018. We'll send more info as the dates get closer, but you can register for the date that works best for you at any time.

Final Transcript

Send your final transcript to the admissions office. Your final transcript needs to be sent in a sealed envelope from a school official, containing your graduation date, class rank and GPA.
