

Earn your Bachelor of Science degree in entrepreneurial leadership from DWU with a construction management emphasis from Mitchell Tech.

Dakota Wesleyan University and **Mitchell Tech** are collaborating to bring you the best of two worlds: hands-on construction education at Mitchell Tech, combined with entrepreneurial leadership education focusing on problem-solving, communication and business skills from DWU.

This program is for you if you want to pursue a career in the construction field, have an interest in managing or owning your own company, or want to understand the business of construction.

DOUG McCUNE

Operations Manager at Puetz Corporation

"There is a present and ever-growing need in the construction industry for qualified and educated individuals who are prepared to hit the ground running and become future leaders. The joint effort between DWU and Mitchell Tech to create this unique program will provide a great opportunity for future generations to gain the knowledge and skill set to become successful and productive leaders in our industry."

DWU + Mitchell Tech = Bachelor's Degree

Your DWU adviser will work closely with you and the faculty at Mitchell Tech to be sure your coursework will help you meet your goals.
